** Money Market checking accounts \& all Savings Accounts have a limit of 6 (six) preauthorized withdrawals, automatic or telephonic transfers, checks, drafts, and debit card or other similar transactions from your account each month (including internet transfers). This also includes cash management transfer/SWEEP withdrawals. There is no limit on in-house transfers, however, you must make in-house transfers in person. If you exceed the number of limited transactions 3 times in a 12-month rolling period, the bank will change your account to a transaction account or close the account per Federal Regulation D requirements.
